Balance at the end of the month				4,807	0	8

2. Read Government official memorandum No. 3381—Mis. 723, drawing attention of the Deputy Commissioner to Subject No. 121 of the Dasara Representative Assembly Proceedings of 1895, and requesting to take such action as the Deputy Commissioner may consider necessary with reference to the reply of Government in the matter of opening certain roads from Anvatti, *viâ*., Kerehalli to Banavasi, and another from Anavatti to Tirthahalli.

Resolved that as the proposed line measuring about 16 miles, passes for the greater part through wet cultivation, it is likely to cost about Rs. 4,000 a mile; that it is not likely to be of great benefit to the district being in a corner, and that the state of the District Funds does not admit of such a costly work being undertaken at present.

3. Read Senior Surgeon's docket No. 233, dated 24th September 1896, forwarding an indent for Rs. 139 for articles required for the use of midwives in the Shimoga district, and requesting to be informed if necessary provision has been made in the Local Fund budget to meet the cost of the articles in question.

Resolved that provision be made in the supplemental budget for moiety of the estimate, the other moiety being met from Municipal Funds.

4. Read Executive Engineer's docket No. 524, dated 17th September 1896, forwarding for countersignature an estimate amounting to Rs. 13,080, for completing the metalling of the Sagar-Siralkoppa road, and stating that provision for this work has been made in the supplemental budget.

Resolved that the estimate be countersigned and returned to the Executive Engineer.

5. Read Shimoga Division Executive Engineer's docket No. 574, dated 29th September 1896, forwarding copy of Chief Engineer's docket No. 820, dated 3rd March 1896, in the matter of sinking wells near Indavalli and Belvani kanave Police stations in the Sorab taluk together with two estimates for sinking a draw well near Indavalli for Rs. 609 and constructing a draw well at Belvani for Rs. 482, and requesting to be informed if there is any objection to contribute a moiety of the cost from District Funds as desired by the Chief Engineer, and if no objection exists, requesting that the estimates may be countersigned and returned so that a re-appropriation statement providing the requisite funds may be prepared and forwarded for sanction of Government.

Resolved that as the wells are to be sunk in the kanaves primarily for the use of the Police stations and as from the insufficiency of the District Funds grants are sanctioned by Government from Local Funds General even for wells solely intended for public use, the Chief Engineer be requested not to insist upon contribution.

6. Read Honnali taluk Amildar's itilla No. 407, dated 28th instant, forwarding an application of Taluk Head-munshi Krishnappa, praying that a building from District Funds may be constructed at Shimoga for accommodation of the pupils who wish to study Sanskrit, English and Vedas.

Proposed by Mr. Nadig Timmappa and lost as it was not seconded.

7. (1) Read Shimoga Division Executive Engineer's docket No. 520, dated 4th September 1896, forwarding a supplemental District Fund budget estimate for Rs. 20,000 for 1896-97, and requesting to obtain the sanction of Government to the same.

(2) Read docket No. 644, dated 28th October 1896, from the same officer, forwarding a 2nd supplemental District Fund budget estimate for Rs. 8,020, and requesting to obtain the sanction of Government to the same.

(3) Read Statement "C II, repairs to be executed by Revenue officers" amounting to Rs. 2,595.

(4) Read also the statement showing the details of Civil charges proposed to be incurred for establishment and other charges amounting to Rs. 2,782.

Resolved that as the works recommended by Executive Engineer are very urgent his proposals be adopted as revised, and that the works be executed by the Revenue officers and the amount required for Civil charges be included in the supplemental budget to be submitted to Government for orders.

The particulars of proposed expenditure are given below :—

A. Public Works to be executed by Public Works Department.—

	Rs.	a.	p.
I. Original works.. ..	27,395	0	0
II. Repairs	2,625	0	0
III. Establishment.. ..	5,253	0	0
Total *A* ..	35,273	0	0

B. Public Works to be executed by Revenue Officers—

	Rs.	a.	p.
II. Repairs	2,595	0	0
C. Civil Charges	2,782	0	0
Grand Total *A, B & C* ..	40,650	0	0

A. RANGASWAMAIENGAR, *President, L. F. Board.*
